Webinar Success

The MN SOPHE May 27, 2020 webinar: Mental Health and Resiliency in the Workplace was well received. There were 78 participants with 16 members taking advantage of the *free* CHES/MCHES credit being offered. Thanks to Antonia Yenser and Derek Hersch for coordinating and hosting the webinar. The theme of mental health was very timely and helped promote the recent MN SOPHE resolution. Recordings for chapter webinars are posted on the website:
